

CHAPEL KIDS

SIX CHARACTERISTICS OF A LEADER

1. **Focus on your personal relationship with Jesus Christ.** There is nothing that we can do without Jesus Christ living in and through us.
2. **Focus on a child.** Developing a safe environment in which children can grow spiritually, academically, socially, and physically.
3. **Empowering Parents and Guardians.** Developing an active relationship with parents and guardians of children at The Chapel.
4. **We will do ministry with an end in mind.** We will prepare for the changes that God brings in the lives of children and ourselves.
5. **Communication with Leaders.** Developing and maintaining a relationship: receiving and giving feedback with those who can help you.
6. **Mentoring Student Leaders.** Developing a process where you invest in student leaders when serving in children's ministry.
